**MOTION FOR LEAVE TO FILE DOCUMENT UNDER SEAL**

The United States of America, by and through undersigned counsel, moves this Honorable Court to allow the United States to file, under seal, exhibits to the United States' Notice of Expert Testimony.

The "Administrative Practices and Procedures for Electronic Case Filing (ECF)" requires parties to file a motion seeking leave of court prior to filing any documents electronically under seal. The United States' Notice of Expert Testimony includes the complete resumes and other sensitive personally identifiable information of the United States proposed expert witnesses. Therefore, the United States requests that these exhibits be placed under seal. If approved, the United States will provide the exhibits to the United States' Notice of Expert Testimony to the defendant, through counsel, by email.

Respectfully Submitted,
